Issue: On 5/27/20, at approximately 3:30pm CST, I instructed you go out to the floor with a radio and start checking inventory in the L, O and R lanes. I told you to take a radio so I could reach you once I received the inventory audit information you were going to need for the night. Additionally, everyone has been instructed to carry a radio for safety concerns. At approximately 4:45 pm there was tornado warning and everyone, except you, replied to the call to go to shelter in place. Another employee went back out to get you. Your actions violate both Failure to follow instructions and Failure to follow Safety guidelines.

Corrective action: Craig is receiving a written warning under performance. Additional incidents can lead to further disciplinary action up to and including termination of your employment.
